**INSTRUCTIONS:**

1. Cut out form along lines (maximum length of form 10")
2. Fold form in half lengthwise (results in 1.25"x 10" strip)
3. Tightly roll the form
4. Insert one end of form in hollow of cap
5. Insert the other end into the barrel
6. Screw two sides together until they slightly compress "O" ring
7. Attach Emergency Capsule(s) to zipper pull, shoelace, backpack, necklace lanyard, etc.
8. *Update anytime Primary Contact or conditions change*

Emergency Capsule™ contains individual's emergency information in a small, weatherproof container. Provides identification and essential medical information when computer is not available. Attach to clothing, wear as necklace, etc.
